Summer 2018

## Family Development

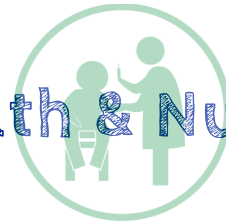

For the families of the children of the Treasures Bible Club. We pray for faith and spiritual strength for families facing economic, spiritual, family and health problems so that they may find peace and trust in God.

For economic resources for the execution of training for the Mother's Academy.

For servants specialized in psychology to serve families through the Family Development Program.

## Health & Nutrition

For the provision of technicians for the operation of the laboratory.

For the health of the patients we serve.

For the operation of the dental clinic.

For more servants for the medical clinic.

For the medical clinic model, that it could be replicated in Chiquimula.

Summer 2018

For the integration of the families that are part of the Education Program.

For a successful school year for the children that are part of the Education Program.

For God's help to continue having a positive impact in the lives of the Treasures through our work.

For God to grant us wisdom and harmony to implement the projects in the different communities.

For servants who have a heart willing to serve the Treasures.

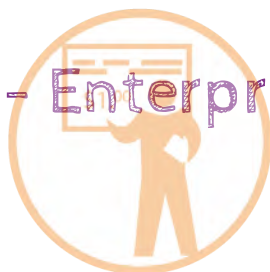

For the creation of a program that allows the development of the artistic and cultural abilities of the Treasures.

Summer - Chiquimula 2018

## Family Development

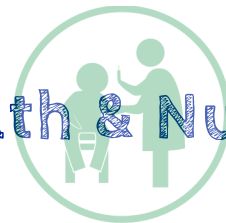

For the parents in the different schools where we serve, that they can have strength in their relationship with God in order to raise their children.

For the teenagers in Chiquimula, that they can make wise decisions.

For the youth, that they can reach the maturity they need and find good opportunities to pursue their dreams.

## Health & Nutrition

For the health system in Chiquimula, that they provide health to the entire population especially those who don't have access to medical care.

For the medical clinic model at the community center at Guatemala city could be replicated in Chiquimula.

Summer - Chiquimula 2018

For the teachers in public and private schools, that they can impact the lives of many children according to God's principles and values.

For all the children who finish 6th grade in Chiquimula, that they can have the opportunity to continue studying.

For the education system in Chiquimula, that it provides better opportunities for the children and youth

## Community Development

For our new staff in Chiquimula, that they feel God's presence during their transition and adaptation process.

For the future plans of our Community Center and Regional Office.

For community leaders in the different communities, that they can have strength in their relationship with God and reflect a Christian character in everything they do.
